## Questionnaire

**Please tick your opinion.**

- | Yes                      | No                       |   |
|--------------------------|--------------------------|---|
| <input type="checkbox"/> | <input type="checkbox"/> | Would you like to work on Green Building Certification process? |
| <input type="checkbox"/> | <input type="checkbox"/> | Are you good in technical English?                              |
| <input type="checkbox"/> | <input type="checkbox"/> | Would you like to lead meetings and negotiate with people?      |

**Please answer in a few sentences if you agree or not and what is the reason.**

1. Does it make sense to do Green Certification of new buildings?
2. Why to insulate buildings?
3. Do building users like to open the window?
4. Do we need to recycle waste materials?
5. Is it better to install blinds or not? Does the building user need to be able to control them?
6. Why each tenant's energy consumption should be sub-metered instead of being charged on square meters rate?
